QUAKERS HILL EAST PUBLIC SCHOOL SRE TRAINING

On 8 February 2026, VHP Australia conducted a Teachers Training Program at Quakers Hill East Public School for Hindu Dharma teachers. Held on a smaller, focused scale, the session encouraged interactive discussions and hands-on learning.

The program focused on strengthening classroom management, enhancing student engagement, ensuring child protection, and refining teaching methodologies. It also supported educators in effectively delivering Hindu Dharma topics and implementing the SRE curriculum.

HAYAGRIVA PUJA / VHP SANSKRIT SCHOOL OPEN DAY

VHP Australia successfully hosted the VHP Sanskrit School Open Day on 21 February 2026. The event began with a sacred Hayagriva Puja, where all participating children actively took part and beautifully recited shlokas, creating a spiritually uplifting atmosphere.

To encourage and support their learning journey, each child was presented with notebooks and pencils, making the day both meaningful and memorable.

RIVERBANK PUBLIC SCHOOL SRE TRAINING

On 3 March 2026, VHP Australia hosted a second Teachers Training Program at Riverbank Public School, bringing together educators in a collaborative and engaging environment.

The session emphasised peer learning and practical teaching strategies, allowing teachers to share experiences and explore ways to make lessons more engaging and meaningful. It further strengthened their confidence in delivering curriculum content effectively to suit different age groups.

HYA'S 6TH AUSTRALIAN YOUTH CONFERENCE

Hindu Youth Australia successfully hosted the 6th Australian Hindu Youth Conference, Kaleidoscope, on 22 March 2026 at the Regency Function Centre, bringing together over 75 young participants from across the community.

Centred around the theme "Kaleidoscope", the conference explored the diverse and evolving nature of Hindu identity in Australia, encouraging youth to embrace both their cultural roots and contemporary experiences.

The event featured insightful sessions on cultural confidence, the diversity of Hindu traditions across diaspora communities, and the role of Bhakti in personal and spiritual expression. A keynote address by HYA's president, Devavrath Parasuram, set the tone for the day, highlighting the importance of balancing heritage with modern life.

The conference concluded with an engaging youth-led debate on the future of the Hindu community, fostering critical thinking, dialogue, and leadership among participants. Overall, the event provided a meaningful platform for young Hindus to connect, reflect, and strengthen their sense of identity and belonging.

ANNUAL HOTA MEETING

HOTA representatives convened at the 12th Annual NSW HOTA Forum on 28 March 2026 at Ermington Community Centre, bringing together nearly 120 representatives from over 75 Hindu organisations, temples, and community groups. Hosted by the Association of Haryanvis in Australia (AHA), the forum centred around the theme “Ek Drishti, Ek Disha” (One Vision, One Direction), emphasising unity, alignment, and collective progress within the Hindu community.

The forum facilitated meaningful dialogue between community leaders, dignitaries, and elected representatives, focusing on key areas such as youth engagement, collaborative community initiatives, and expanding the social impact of Hindu organisations across Australia. Participants highlighted the importance of stronger coordination, shared platforms, and active involvement in community service, including volunteering, charity initiatives, and engagement with local councils.

HOTA representatives reaffirmed their commitment to working collaboratively with government bodies and community stakeholders to strengthen representation, promote cultural harmony, and enhance the collective contribution of the Hindu community to Australian society.
